

Digital Resources Provided Free of Charge

to improve teaching and learning in Ontario

March 2011

www.osapac.ca

Ministry licensed software and web services are available to teachers and schools through their Ontario Educational Software Service (O.E.S.S.) representative. The OSAPAC site has a database of all the licensed software with links to online tutorials, resources and information on use for special needs students. An online survey can be completed to inform the committee members of software needs or recommendations. A [Contact Us](#) link allows emails to be sent to the committee.

FIND YOUR O.E.S.S. REPRESENTATIVE

Click the Contact Search link at the left on Oess.sjpg.com

<http://resources.elearningontario.ca>

Thousands of resources, including units, lesson plans, activities, maps, and interactive learning resources are:

- created by teachers for teachers
- offered in convenient formats including Microsoft Word, PowerPoint, PDF, and Flash
- aligned with the Ontario curriculum
- searchable by grade, course/subject, strand, overall expectations, learning style, author, file format, and key word
- derived from and designed for both the public and Catholic systems
- easy to access and use
- downloadable and modifiable

Ask your school or your board's district e-learning contact for log on information.

www.edugains.ca

EduGAINS provides a wealth of resources to support Mathematics, Literacy, Differentiated Instruction, Assessment and Evaluation, English Language Learners and International Languages (Elementary). Go here to access video, web pages, and electronic copies of resources developed by or for the Ministry of Education including CLIPS (interactive web-based mathematics learning objects), STEP resources for ELL, the Think Literacy library, Growing Success with extensive video supports, etc.

Access to materials is also available by role and responsibility (teachers, school administrators, superintendents, professional learning facilitators). Free RSS feeds for each area are available to provide automatic updates when new items are posted.

MINISTRY OF EDUCATION

Education Policy and Program Update to April 30, 2010

<http://www.edu.gov.on.ca/eng/policyfunding/eppOSS.html>

Part C outlines a selection of recent initiatives and resources that do not represent new policy but that have an impact on and support the efforts of Ontario schools.

Resources from the Curriculum Unit Planner

<http://www.edu.gov.on.ca/eng/policyfunding/ocup/>

This URL links to resources that were previously posted on the Ontario Curriculum Unit Planner (OCUP) website (e.g., grade by grade elementary expectations, Teacher Companion files)

eWorkshop Online Teaching Resource

<http://www.eworkshop.on.ca/edu/core.cfm>

Modules on Literacy and Numeracy with videos of teachers in action, activity sheets, lesson plans
